

## Learning Activity – Topic 4 – Values

Katrina Higham  
S2921611

1. Family
2. Integrity
3. Trust
4. Honesty
5. Success

In my profession, there are a lot of training providers who do not always follow integrity, trust and honesty with the way that they train. When I have moved positions or jobs, I have always tried to ensure that my values match the organisation and the opposite way around. If I find that my values are being challenged, I usually change organisations.
